Profile

I'm a passionate web developer, skilled in HTML, CSS, JavaScript, and building dynamic, user-friendly websites. I've successfully created clones of Amazon Prime and Flipkart, showcasing my ability to develop full-featured, responsive platforms. My big achievements include delivering high-quality projects, like social media sites, that drive user engagement. I'm constantly motivated by the challenge of bringing ideas to life and solving complex problems.

Internships

Python , Hoshiarpur

July 2024 — August 2024
